aswinig127@gmail.com

EDUCATION

Vellore Institute of Technology, Vellore
B.Tech, Computer Science and Engineering

July 2021 - Present
CGPA: 8.81/10

Sri Chaitanya Junior College, Tirupati
Intermediate Education, MPC

April 2019 - August 2021
Percentage: 91.2/100

TECHNICAL STRENGTHS

Programming Languages	Java, C/C++
Web Technologies	JavaScript, HTML, CSS, Node.js
Database	SQL, MongoDB
Others	GitHub, Visual Studio Code, Cisco

EXPERIENCE

Hospital Management System - Externship

August 2023 - November 2023

- Developed a primitive hospital management website to enhance the operational efficiency of the hospital or clinic, improve patient care, and streamline administrative processes.
- Implemented features such as user authentication and authorization, management of patient records and doctor information (including creation, viewing, modification, and deletion) and appointment scheduling.

PROJECTS

DeepFace Detection

April 2025

- Developed a real-time face recognition attendance system using deep learning (FaceNet), computer vision (MTCNN/MediaPipe), and SVM classification, achieving 95 percent accuracy under varied lighting and pose conditions.
- Built a Streamlit-based web interface for live webcam feed, real-time recognition feedback, and automated attendance logging with timestamp-based anti-duplication, ensuring a smooth and contactless experience.
- Enhanced system robustness and scalability through data augmentation techniques and a modular architecture with local CSV logging, designed for future integration with cloud storage, liveness detection, and mobile platforms.

Tomato Leaf Disease Detection System

November 2024

- Developed an user-friendly Streamlit web application using CNN architectures like EfficientNetB0 and MobileNetV2 for accurate disease classification.
- Designed functionality for preprocessing uploaded images and predicting diseases with confidence scores.
- Integrated custom CSS for a visually appealing gradient background, interactive model selection, and real-time disease prediction comparisons.

CERTIFICATES AND ACHIVEMENTS

- Google Cloud: GOOGLE CLOUD COMPUTING FOUNDATIONS
- Board Member, Sahiti-TLA – Contributed to strategic planning and club management.
- University Scholarship awarded by Vellore Institute of Technology, covering 50% of tuition fee
